MEM01 – Member List - Ages

Enter begin month/day and end month/day and get all members having birthdays in that month/day range. Select either 'Greater than an Age' entered or 'Equal to one or more Age(s)' in a list of ages entered. Optionally Hide or Show Expanded Details. (bmaly 2022.04.22) NOTE: date range 'bookends' the birthdays for the target group. So, use 13-18 and return anyone who has a 13th-18th birthday during the date range.
