Customizations:

Changing the Student Start Date: When a student enrolls mid-session, you can indicate a Start Date in the student note field. To do this, access the class list, click on 'View' and add 'StartDate:MM/DD/YYY' in the first line of the note.

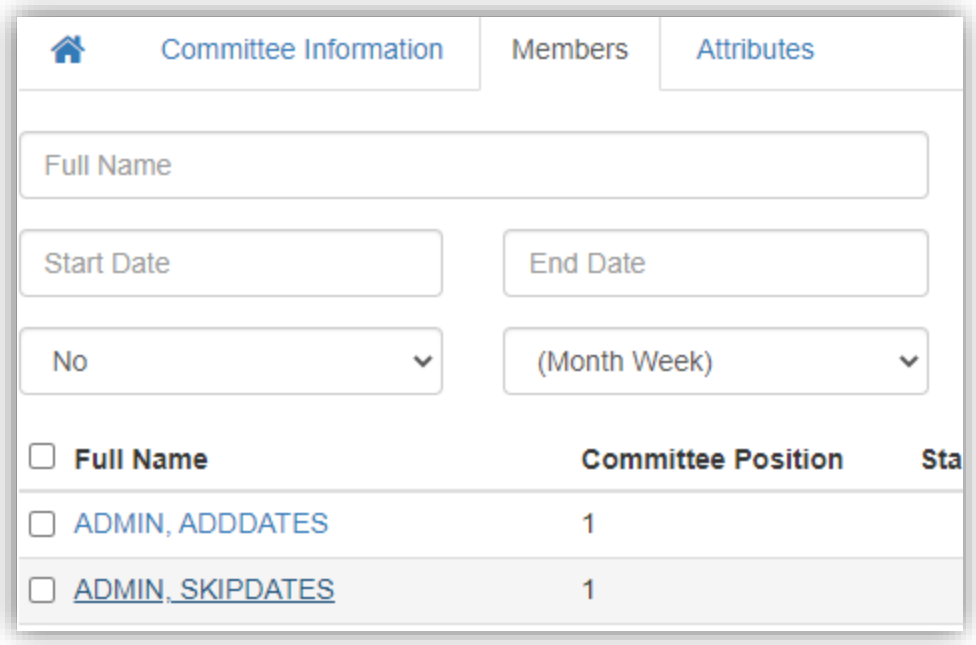

Identifying days where there is **no class** being held and **adding dates** to the Calendar. Both are enabled doing a multistep process.

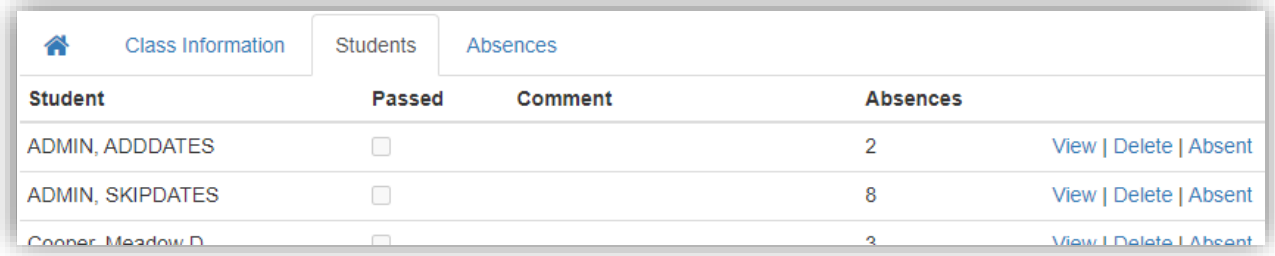

First: Add a family exactly as below. Last Name: ADMIN, first name: REDATES. Note this is a 'Parish Staff' statuscode. Then add two members in this family named ADDDATES and SKIPDATES.

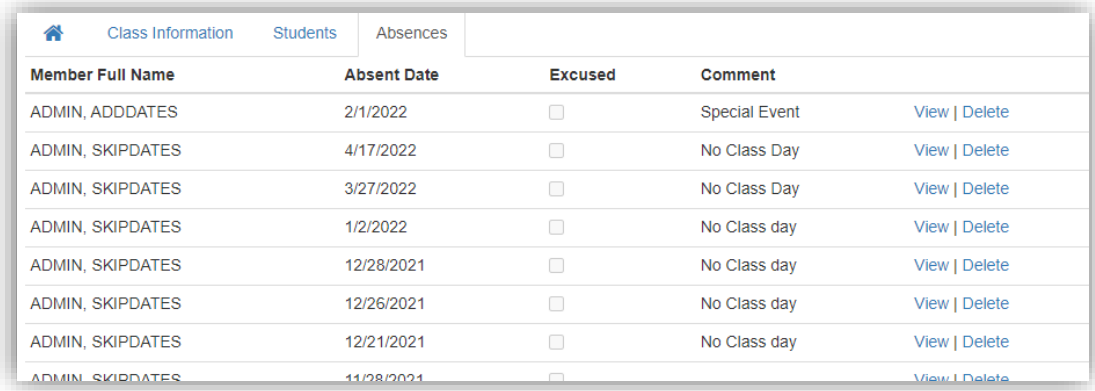

Add both students to the Religious Education Students committee.

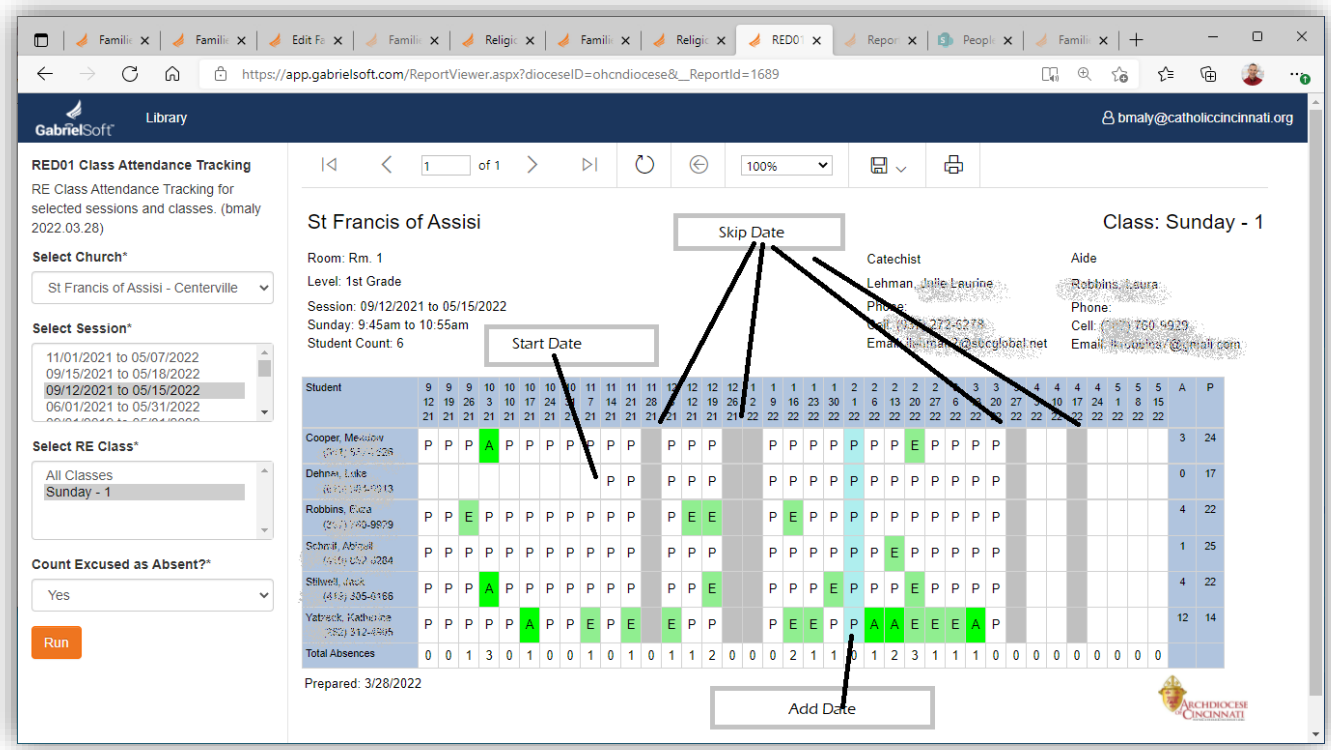

Add this to each level for which you need a 'skip date' or 'add date'. Then add the student to each class where you need a 'skip date' or 'add date'.

Then, using the 'absences' feature, add the date to be skipped to the SKIPDATES student and add the date to be added to the ADDDATES student.
